

4th MONDAY OUTINGS

23rd May – 8am

Lamerough Creekside Walk, Pelican Waters.

This walk follows Lamerough Creek through the environmental reserve. With a mix of paperbark, and eucalypt along this riparian walk it will be a good mix of fauna species and interesting to see what is present along the east side of the Aura reserve and Blackbutt forest.

Meeting Point: Park at the northern end of Tweddell Dr (type in 100 Tweedell Drv, Pelican Waters into your navigator).

27th Jun – 8am

Floydia Nature Reserve, West Woombye.

Floydia is a 34ha site that was originally cleared farmland. After revegetation works it now consists of low open forest and lowland subtropical rainforest. With 300 species of plants it will be good to see what fauna we can find.

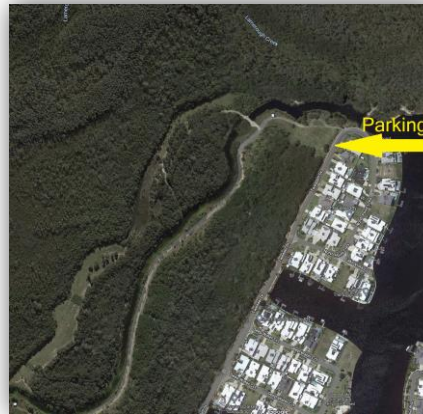

Meeting Point: Meet us on White Cedar Pl. 300m past Menary Ln.

25th Jul - 8am

Fairview Walk Wetland Section, Nth Maleny.

The Sunshine Coast Council has done a great job in creating "Fairview Walk". It has been a few years since we have done the western corner and the wetlands so let's see how it has changed in that time.

Meeting Point: Meeting point will at the end of Parklands Dr (via Porters Ln. – 400m past Barung Landcare Native Nursery).

Faunawatch Regular Survey Maroochy Bushland Botanic Gardens

Our regular Maroochy Botanical Gardens walks continue through 2022. This survey on the second Wednesday of the month provides an opportunity for anyone to come along and find out more about Faunawatch. Meeting in the car park we start with a walk on one of the several trails in the gardens followed by BYO morning tea and general discussion.

Each survey starts at 8am;

Wednesday 08th Jun 2022
Wednesday 13th Jul 2022
Wednesday 10th Aug 2022
Wednesday 14th Sep 2022
Wednesday 12th Oct 2022
Wednesday 9th Nov 2022

Faunawatch would like to thank the Sunshine Coast Council for their continual support of the program through the Environment Levy Partnership Fund.
